

37th ANNUAL CALL FOR NOMINATIONS 2009

James H. Meyer Distinguished Achievement Award

The Meyer award recognizes distinguished career-long achievement by an Academic Federation member in meeting the responsibilities associated with the nominee's job title. A secondary, but important, consideration is service to the campus, the UC community, or state, regional, or national bodies. Service should be voluntary and extend beyond that required by the nominee's job.

QUALIFICATIONS: The award is conferred in recognition of an individual's distinguished career-long contributions to the mission of the university and a commitment to the campus community. Specific service to the Academic Federation is desired, but is not required. A nominee must be a current member of the UC Davis Academic Federation and have been a member for at least five years. Past recipients are not eligible, but previous nominees are eligible.

NOMINATIONS: All members of the University community – Academic Federation, Academic Senate, students, and staff – are invited to nominate a member of the Academic Federation for this award. The nominee's activities as a member of the Academic Federation should be described in the nomination letter, although specific service on Federation committees is not required.

The nomination must include the following:

- A current CV, including complete lists of publications and contributions to university and public service;
- A brief statement, not more than three pages, outlining the achievements of the candidate;
- Nominator's name and contact information.

DEADLINE: Nominations must be sent electronically to nkilpatrick@ucdavis.edu in the Academic Senate Office by

5 pm – Friday, May 15, 2009

For more information, please contact Nancy Kilpatrick, (530) 752-2220 or via email at nkilpatrick@ucdavis.edu
