

UCDAVIS

MEET THE ACADEMIC FEDERATION

2019-2020

ABOUT THE ACADEMIC FEDERATION

The only organization of its kind in the University of California system, the UC Davis Academic Federation (AF) represents members of 17 academic titles and is one of the five official campus constituencies. There are over 1900 AF members at UC Davis. We promote the ideas and interests of our members to campus administration and other stakeholders, often working closely with the Academic Senate on matters of mutual importance.

WHO ARE AF MEMBERS?

AF MEMBERS ARE...

- Academic Administrators
- Academic Coordinators
- Adjunct Professors
- Agronomists in the Agricultural Experiment Station
- Child Development Demonstration Lecturers
- Continuing Educators
- Health Science Clinical Professors
- Lecturers
- Librarians
- Researchers
- Project Scientists
- Specialists
- Specialists in Cooperative Extension
- Supervisors of Teacher Education
- Supervisors of Physical Education
- University Extension Teachers

HEALTH SYSTEM

SHARON ASHLEY, M.D.

HEALTH SCIENCES CLINICAL PROFESSOR

Dr. Ashley, a Pediatric Anesthesiologist, tests the weight of the Red Pack Emergency bag that residents have to use for emergency treatment.

CHRISTIAN BOHRINGER, M.B.B.S.

HEALTH SCIENCES ASSOCIATE CLINICAL PROFESSOR

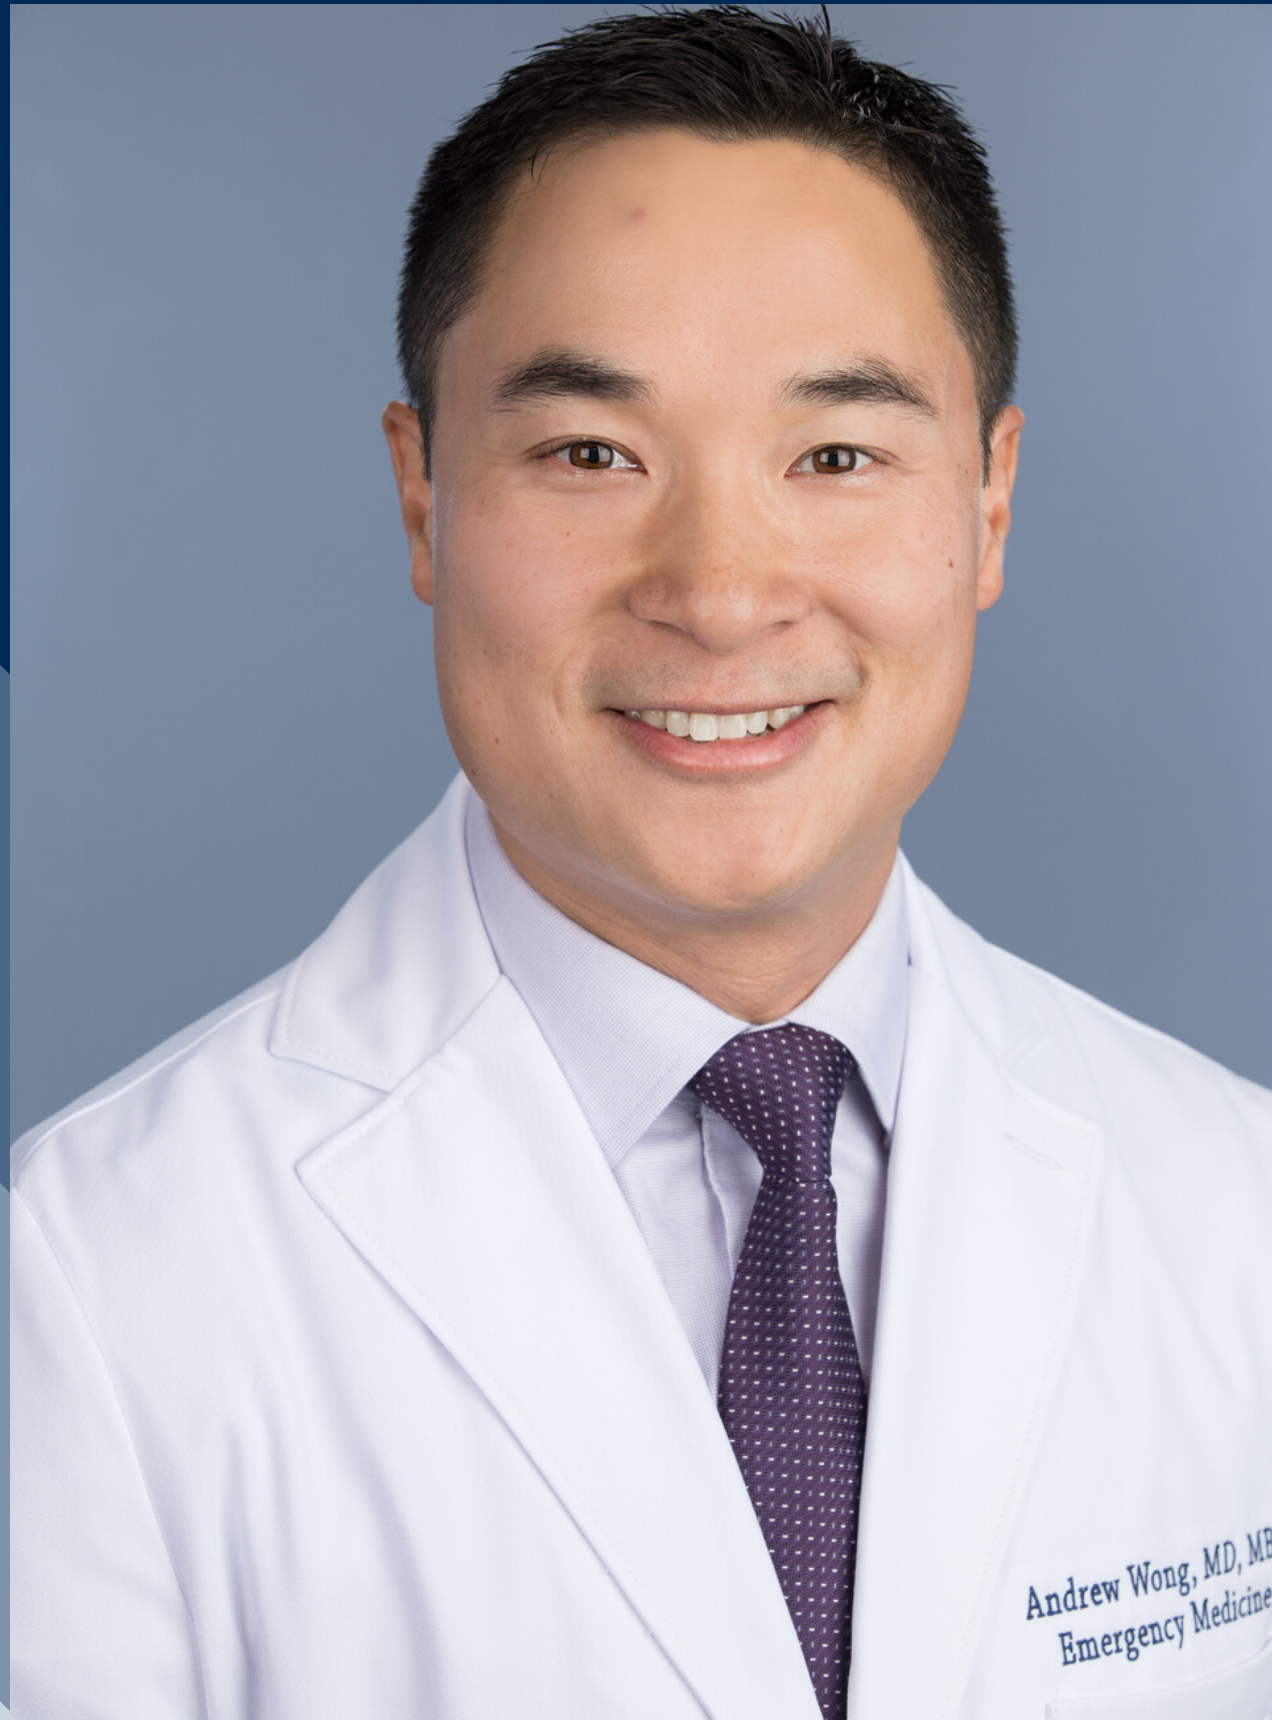

Dr. Bohringer is a professor of clinical anesthesiology at the UC Davis Medical Center. He teaches medical students history-taking and physical examination within the School of Medicine. He is also a preceptor at the Paul Hom Asian (Free) Clinic which is a medical student run clinic providing primary care for Sacramento's underinsured Asian community. Additionally, he works for admissions for the medical school screening applications and rating the multiple mini-interviews. He is also the Director of district-1 for the California Society of Anesthesiologists.

KARA TOLES, M.D.

HEALTH SCIENCES ASSISTANT CLINICAL PROFESSOR

Dr. Kara Toles, Assistant Clinical Professor of Emergency Medicine, works alongside residents, students, nurses, techs, clerks and other valuable members of the team caring for critically ill patients and teaching in the UC Davis Department of Emergency Medicine.

ANDREW WONG, M.D., M.B.A.

HEALTH SCIENCES ASSOCIATE CLINICAL PROFESSOR

Dr. Wong works in the UC Davis Medical Center
Influenza-like Illness Pod.

TEACHING

JIAO LI, M.A.

LECTURER OF CHINESE

Lecturer in the Department of East Asian
Languages and Cultures

CHRISTOPH VOGEL, PH.D.

RESEARCH PROFESSOR

Dr. Vogel, a Research Professor in the Department of Environmental Toxicology and the Center for Health and the Environment, is pictured here with his student setting up a PCR analyzing the effects of environmental pollutants on the immune system

JACQUELINE SIAPNO, PH.D.

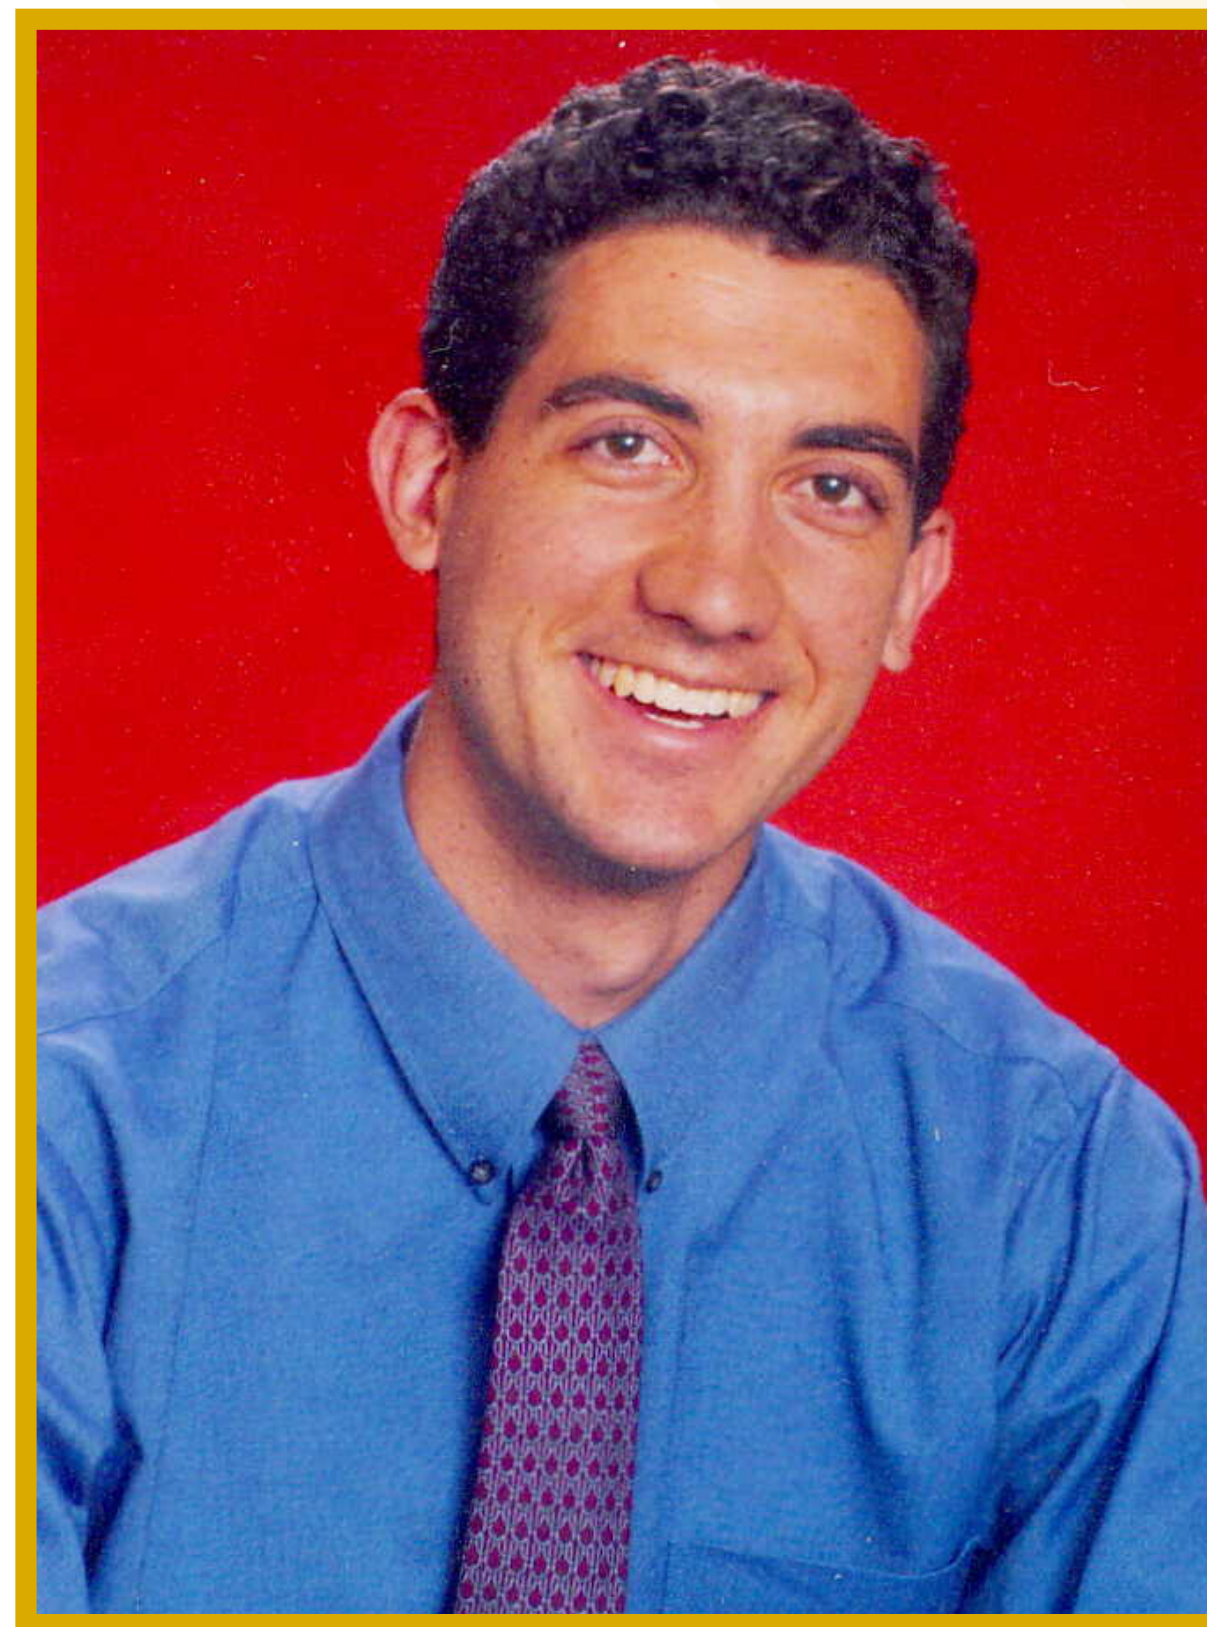

LECTURER

Dr. Siapno is a Lecturer in the Human Rights Program. She earned her Ph.D. at UC Berkeley and has taught at the Australian National University, University of Melbourne, Universidade Nacional Timor Leste, Seoul National University, Kyoto University, and Universität Jaime I, Spain.

BRYAN ENDERLE, PH.D.

LECTURER

Dr. Enderle has taught for 18 years in the Chemistry Department.

JENNIFER WEIL

ACADEMIC COORDINATOR

Academic Coordinator Jen Weil, Dr. Gross, and the Winter 2020 TA Team after successfully setting up the CHA 101L Lab Midterm!

CAROLE HOM, PH.D.

ACADEMIC COORDINATOR

Members of the UC Davis Academic Federation include first generation college graduates like Academic Coordinator Carole Hom in the Department of Evolution and Ecology.

JOAN S. FRANK, M.S., R.D.N.

DEPARTMENT OF NUTRITION

Academic Federation Member Joan Frank is pictured here with students of the Nagoya University of Arts and Sciences Summer Nutrition Program. She is the Director of this program as well as the Assistant Director of the Didactic Program in Dietetics.

RESEARCH

BERNADETTE AUSTIN, M.S.

ACTING DIRECTOR

As Acting Director for the Center for Regional Change, Bernadette Austin supports faculty, students, and research staff interested in community-engaged and policy-oriented research.

DYLAN SPAULDING, PH.D.

ASSOCIATE PROJECT SCIENTIST

Dr. Spaulding runs the Shock Compression Lab in Earth and Planetary Sciences. His lab uses giant cannons to shoot bullets at rock and mineral samples in order to study their material properties and how planets form and evolve.

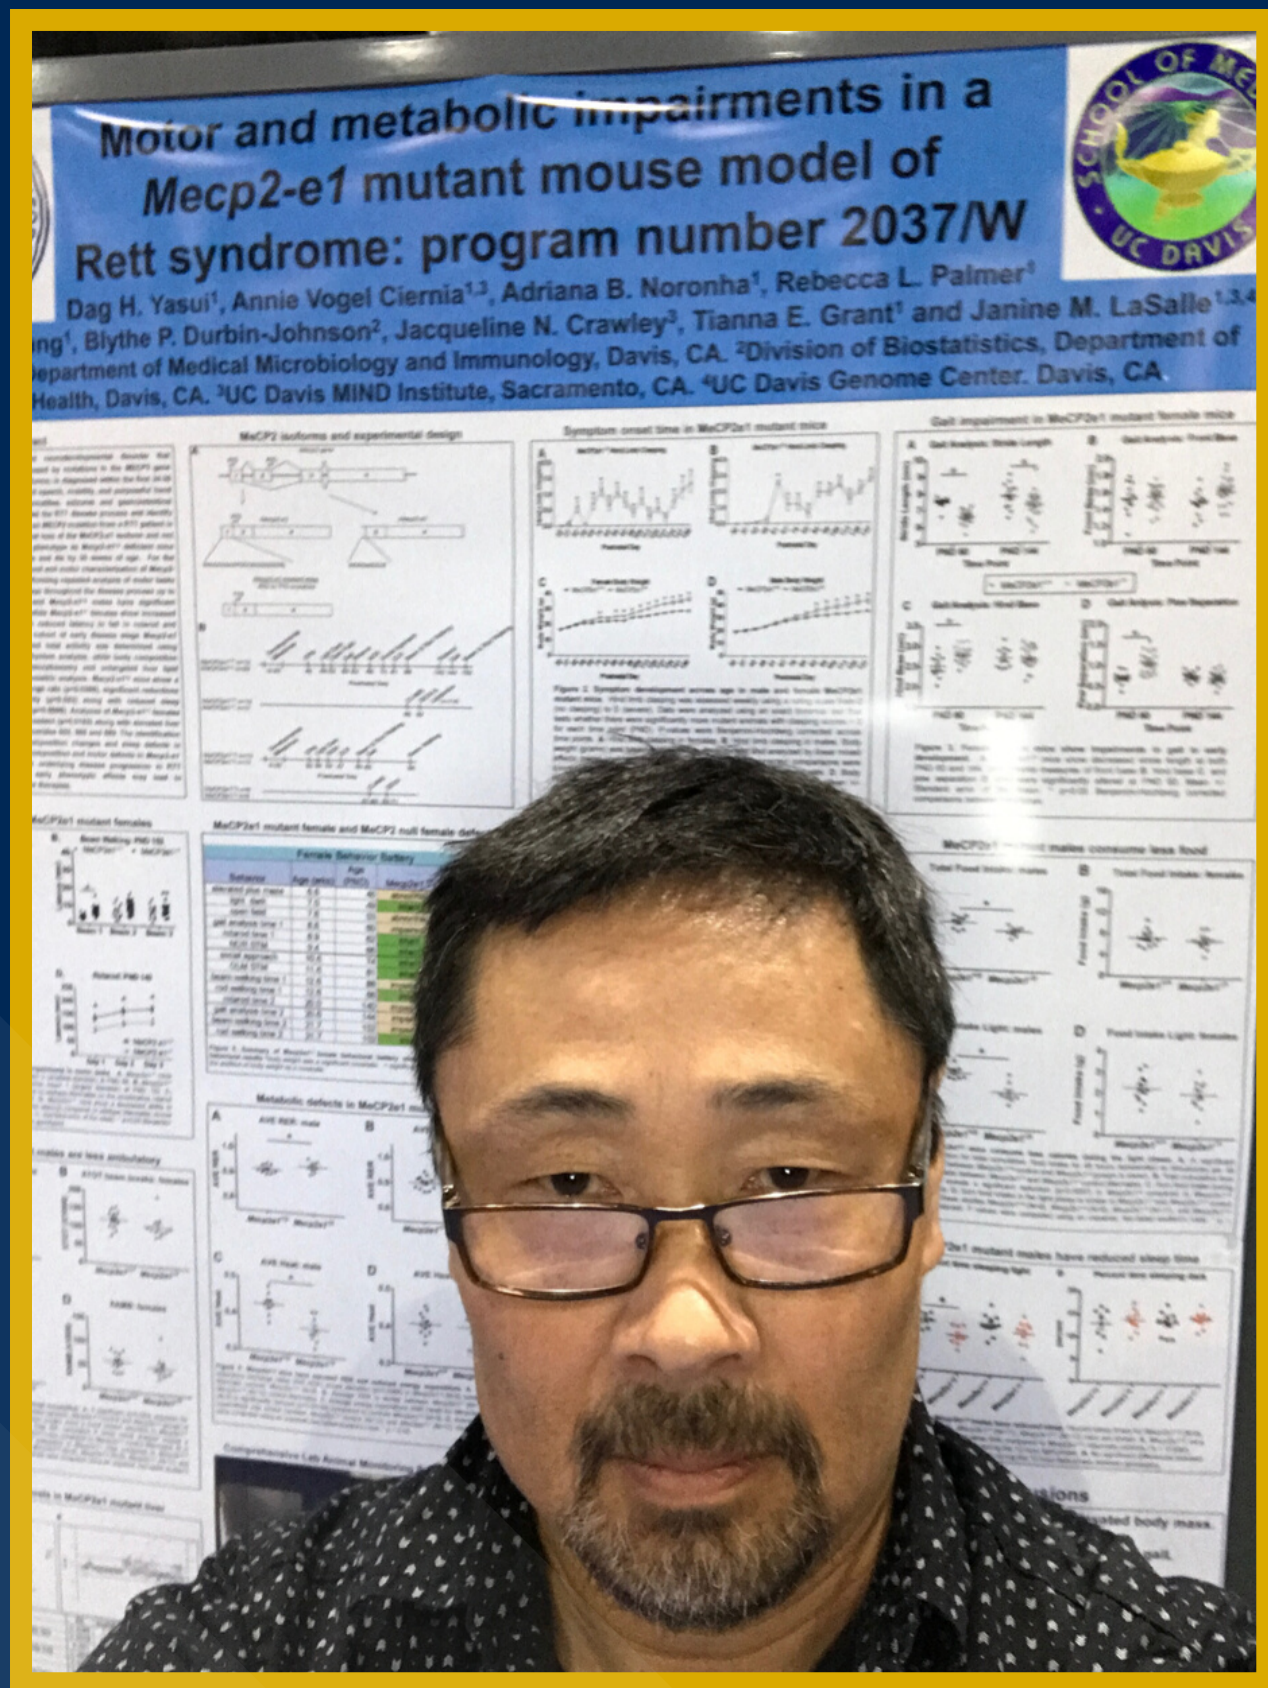

ALISON VAN EENENNAAM, PH.D.

EXTENSION SPECIALIST

Dr. Van Eenennaam is pictured here with a very special calf who was delivered during the COVID-19 pandemic.

DAG YASUI

ASSISTANT PROJECT SCIENTIST

Department of Medical Microbiology and Immunology

GABRIELE MAIER, PH.D

ASSISTANT SPECIALIST IN COOPERATIVE EXTENSION

CE Specialist for Beef Cattle Herd Health and Production Gabriele Maier visiting a cow-calf operation in northern California and collecting field samples. As a veterinarian and epidemiologist, her interests are in the epidemiology of infectious diseases of beef cattle, antimicrobial stewardship, as well as in improving production and health parameters of beef cattle through nutrition, preventive measures and technology.

JOSEPHINE TROTT, PH.D.

ASSOCIATE PROJECT SCIENTIST

Department of Animal Science

THANK YOU

Academic Federation Members
