

48th ANNUAL CALL FOR NOMINATIONS

Academic Federation Award

2020 James H. Meyer Distinguished Achievement Award

The Meyer award recognizes a distinguished career of achievement by an Academic Federation member in meeting the responsibilities associated with the nominee's job title. A secondary, but important, consideration is service to the campus, the UC community, or state, regional, or national bodies. Service should be voluntary and extend beyond that required by the nominee's job.

QUALIFICATIONS: The award is conferred in recognition of an individual's distinguished career-long contributions to a) the mission of the university and b) a commitment to the campus community. Service to the Academic Federation is desired but is not required. A nominee must be a current member of the UC Davis Academic Federation with at least five years of membership. Past recipients are not eligible, but nominations submitted in a prior year may be updated and resubmitted for consideration.

Regular members of the Academic Federation shall be salaried academic appointees who are not in trainee, post-doctoral, or fellowship positions and who are not members of the Academic Senate and: (1) hold an appointment on the Davis campus; or (2) hold a University wide appointment, but are located on the Davis campus; or (3) work at a location remote from the Davis campus, but report administratively to the Davis campus. Membership will be limited to persons who hold appointments in one or a combination of the following academic titles. (<https://academicfederation.ucdavis.edu/about/bylaws>)

NOMINATIONS: All members of the University community – Academic Federation, Academic Senate, students, and staff – are invited to nominate a member of the Academic Federation for this award.

A maximum of 3 support letters (each not more than three pages in length) may be included with the nomination packet. The nomination packet will be saved and used for next year's award selection process as well. However, it is the responsibility of the nominator to make any necessary updates to the saved nomination packet.
